Welcome Message From The Organising Chairman and President of CoR

Dear Colleagues and Friends,

2020 has turned out to be a challenging year filled with unprecedented events due to the COVID-19 outbreak which has affected the health of so many lives and wrecked economic disruptions all over the world.

A lot of effort and work had gone into the planning of the AOCR 2020 Congress in Malaysia which would have taken place from the 23rd to 26th July 2020. I would like to thank my organising committee, speakers, abstract submitters, sponsors that have committed and the congress secretariat for all the effort put in which unfortunately because of the pandemic, it had to be postponed to the new dates 1st to 4th July 2021.

With all the challenges this pandemic has raised, we, the organising committee are re-starting the planning process once again. Old ways to presenting and running congresses have to change. We asked ourselves the question of "How do we deliver the best experience which still allows our participants to have the updates they require to provide the best diagnostic and therapeutic care?"

After intense discussion and brainstorming sessions, our decision is to convert the 19th AOCR Congress into a fully virtual congress. This ensures the safety of our participants while experiencing first row seats in the comfort of their homes or workplaces.

There will be live sessions where participants will enjoy real-time interactions with world experts. We have created On-Demand sessions, Masterclasses and post-congress recorded sessions and make these lectures available for 1 year. This will support our underlying goal which is to make available easy access to knowledge.

To make the congress interesting, we are having the annual Dato' Samad Quiz and 50th AOSR Anniversary President's Quiz to commemorate AOSR's 50th Golden Anniversary.

We have received 1410 abstracts from 38 countries, and 321 Youth Education Scholarship (YES) applications upon our submission deadline. I would like to thank everyone for the continuous support in the congress. The Top 500 abstracts will be published in the Korean Journal of Radiology (KJR) Supplementary Issue (ISI Journal, JCR Impact Factor 3.73). 100 YES which covers complimentary registration will be given out to help young radiologists and researchers to attend the congress. All presentations and final work will be featured On-Demand in the congress and made available for 1 year. More details are in the congress website.

We believe the 19th AOCR Congress will be a critical turning point for future congresses in imaging. This challenging time we are facing now gives us opportunities to adapt and rise to the occasion.

Malaysia was ready to welcome all of you in 2020 to our wonderful country and experience our culture and cuisine. Now that we have postponed to early July 2021 and pivot to virtual, I hope that we will be able to feature the beauty of Malaysia in our congress to entice our international participants to add Malaysia into your bucket list when travel begins again.

Until we meet again, I wish everyone good health and stay safe.

Professor Dr Norlisah Mohd Ramli

FAMM, FRCR, MBBS (UM)

Organising Chairman

19th Asian Oceanian Congress of Radiology (AOCR)

&

President

College of Radiology, Academy of Medicine of Malaysia (CoR)

Honorary Treasurer	Dr Sivakumaran Karupayah
Elected Council Member	Dr Thajunnisa Hassan Mohd
	Dr Jeyaledchumy Mahadevan
	Dr Thanuja Mahaletchumy
	Prof Dr Kartini Rahmat

AOSR President's Message

Dear Friends,

I am delighted to welcome you to the 19th Asian Oceanian Congress of Radiology (AOOCR) Scientific Meeting that will be held virtually from Kuala Lumpur, Malaysia from 1st to 4th July 2021.

The theme of the congress is **"From Pixel to Clarity"** and we have amongst us eminent speakers, leaders and representatives from various organizations not only from the Asia Oceanian region but also from around the world.

The First Asian-Oceania Congress was held in Melbourne in 1971 and the Congress has grown over the decades to be a prime scientific meeting in this region.

The Organising Committee has left no stone unturned to ensure that the scientific program is of the highest standard, covering topics from practical applications to cutting edge research and innovations. I am confident that this conference will provide a platform for sharing knowledge, ideas and views on safe and sound practice of radiology in the 21st century and challenge all delegates, in particular the heads of institutions and other leaders in the profession to take home some key messages and implement them at their respective work place.

This is also a great opportunity to network and establish professional contacts and consider setting up international projects and research. In an increasingly globalised world, there is a growing need to pool resources and work collaboratively.

I hope you will enjoy what's in-store for you during the conference.

Assoc Prof Dr Dinesh Varma, FRANZCR

President - The Asian Oceanian Society of Radiology (AOSR)

About AOSR

AOSR represents over 40,300 Radiologists. The first meeting of Asian and Oceanian Regional Radiologists was held in Japan on 11 October 1969, and it was here that the formation of the Asian Oceanian Society of Radiology (AOSR) begun.

Today it is made up of 26 member societies comprising of:-

- Royal Australian & New Zealand College of Radiologists (RANZCR)
- Bangladesh Society of Radiology and Imaging
- Chinese Society of Radiology (CSR)
- The Radiological Society of the Republic of China (RSROC)
- College of Radiology, Academy of Medicine of Malaysia (CoR)
- Fiji Radiology
- Hong Kong College of Radiologists (HKCR)
- Indian Radiological and Imaging Association (IRIA)
- Indonesian Radiological Society
- Japan Radiological Society (JRS)
- Radiological Society of Kazakhstan (RSK)
- Korean Society of Radiology (KSR)
- Macau Radiology Association
- Mongolian Radiological Society
- Myanmar Radiological Society
- Nepal Radiologists Association
- Philippine College of Radiology
- Radiological Society of Pakistan
- Radiologist Ministry of Health Tonga
- Radiological Society of Thailand (RST)
- Radiology Society of the Emirates
- Samoa Society of Radiology
- Singapore Radiological Society
- Sri Lanka College of Radiologists
- Uzbekistan Radiology Society
- Vietnam Society of Radiology and Nuclear Medicine (VSRNM)

Registration Fees

The congress will be fully virtual and registered delegates will have full access to the virtual congress from live sessions, masterclasses, sponsored symposiums, virtual exhibition halls and videos on-demand.

CATEGORY	ACCESS TO VIRTUAL CONGRESS
Malaysian CoR Member	MYR 400
Malaysian Non-CoR Member	MYR 800
Malaysian Candidate Member* / Medical Officer**	MYR 300
Malaysian Nurse / Radiographer / Allied Health Professional	MYR 300
Malaysian Medical Physicist	MYR 400
International Doctor / Physician	USD 220
International Trainee	USD 185
International Medical Physicist	USD 200
International Nurse / Radiographer / Allied Health Professional	USD 185

**Candidate Membership is a membership under the Academy of Medicine of Malaysia (AMM). A member is a fully registered medical who is undergoing a recognised training programme or have passed the first part of a recognised professional graduate postgraduate diploma examination.*

If you have applied for the candidate membership and awaiting approval, you may attach the proof of application & payment during your registration to be entitled for the Malaysian Candidate Member price.

***Medical Officers will need to attach a Letter from HOD for verification during your registration to be entitled for the Malaysian Medical Officer price.*

We Welcome

1. Radiologists
2. Radiology Trainees
3. Interventional Radiologists
4. Residents / Master Trainees
5. Medical Physicists
6. Medical Physicist Trainees
7. Physicians
8. Researchers
9. Radiographers
10. Nurses
11. Technicians
12. Medical Officers
13. Other Allied Health Professionals

Payment Mode

- PayPal
- Bank-in Cash / Cheque
- Online Transfer / Telegraphic Transfer
- Letter of Guarantee
- Local Purchase Order (LPO)

PAYMENT DETAILS

All payments are to be issued in favor of:

College of Radiology – Congress

Bank Name Standard Chartered Bank Malaysia Berhad
Account Number 312193449011
Swift Code SCBLMYKXXXX
Bank Address Level 26, Equatorial Plaza,
 Jalan Sultan Ismail, 50250 Kuala Lumpur.

Congress Secretariat

19th Asian Oceanian Congress of Radiology
 c/o Medical Conference Partners
 9, Jalan 9/3, Section 9, 46000 Petaling Jaya, Selangor, Malaysia.

Tel : +603 7931 2856
 Email : secretariat@aocr2021.com

Cancellation And Refund Policy

Please be advice that refunds are subject to an administration fee of USD75 for International and RM250 for Malaysian.

Cancellation on or before 1st May 2021 : 50% refund
Cancellation after 1st May 2021 : No refund.

If no refund is required but a change in participant registration is needed, then the Secretariat must be informed in writing via email to secretariat@aocr2021.com

E-Certificate Of Attendance

An e-certificate of attendance will be issued to all delegates post-congress, after the delegates have filled up the Congress Feedback Form. CPD / CME points pending approval.

Disclaimer

Whilst every attempt is made to ensure that all aspect of the congress as mentioned in this announcement will take place as scheduled, the Organising Committee reserves the right to make last minute changes should the need arise.
